FIBERLITE™ LANDSCAPE ROCKS

Providing the perfect cover.

There are some things that nature-made rocks can't do, like provide cover. That's not the case with Fiberlite™ Landscape Rocks from Outdoor Essentials®. They are strong, lightweight and hollow imitation rocks that look like natural stone.

- Hide wellheads, electrical boxes, tree stumps, irrigation equipment and other unsightly areas in a yard
- Easy to move—perfect for do-it-yourself landscapers
- Curvilinear shape for wind resistance
- Use for decorative landscaping, displays, temporary installations and more
- Can be easily drilled to run hoses or wires through
- Extremely economical when compared to installing real landscape rocks
- Like real stone, landscape rocks vary in color from gray to tan
- Long-lasting, UV-resistant finish
- 5-year limited warranty
- Made in the USA

FIBERLITE™ BIRD BATHS

*A bird bath
of a different
feather.*

Fiberlite™ Bird Baths from Outdoor Essentials® appear to be naturally sculpted from rock, but they're actually hollow, which means they can be used to cover fixtures and unsightly yard areas. In addition, they're strong yet lightweight, making them easy to move.

- Hide wellheads, electrical boxes, tree stumps, irrigation equipment and other unsightly areas in a yard
- Like real stone, landscape rocks vary in color from gray to tan
- Long-lasting, UV-resistant finish
- Water depths range from 1.5" to 3.5" deep when completely full
- 5-year limited warranty
- Made in the USA

GARDEN PLANTERS

a.

a. 2x4 ELEVATED GARDEN PLANTER
#166228 48" x 24" x 31.5" 6" planting depth

b. VERTICAL GARDEN PLANTER
#166231 35" x 15.75" x 36" 6" planting depth

Give your garden a lift.

Both economical and ergonomic, garden planters are attractive, easy additions to any deck, patio or outdoor space. They reduce the strain of bending and kneeling.

The three-tier vertical garden planter allows for more plants in less space and can be used indoors.

- For level surfaces—concrete, patios, decks and yards
- Made with color-infused, pressure-treated wood for long-lasting beauty
- Enables people with mobility restrictions and back issues to garden without bending or kneeling
- Safe for growing edible fruits, vegetables and herbs
- Ideal for small patios, decks and balconies
- Made in the USA

COMPOST BIN

c. 32" x 32" x 32" CEDAR LOUVERED COMPOST BIN
#153189 18 cubic feet of composting space

Upgrade your soil naturally.

Don't waste an opportunity to beautify your yard and simplify composting. Our compost bin has angled slats to help ensure proper aeration, and the bottom slat is removable for easy access.

- Made of all-natural cedar for long-lasting performance
- Easy to assemble with a Phillips-head screwdriver
- Removable bottom board makes it easy to access compost with a rake or shovel
- Holds up to 18 cubic feet of compost
- Made in the USA

ACCENT FENCING

Accent the positive. Eliminate the negative.

Vinyl accent fencing not only adds decorative accents and borders to your outdoor space, it helps hide less attractive outdoor fixtures, such as utility boxes and HVAC compressors. The bright-white color complements most houses.

- Create boundaries for flower or vegetable gardens
- Help protect delicate landscaping
- Ideal for marking driveway edges
- Made of low-maintenance vinyl that will not rot or splinter

b. 4x4 RAISED GARDEN BED ADD-ON KIT
#175037 Add-on kit to 175036 to make dimensions of 8' L x 4' W x 12" H

Frame and raise your garden masterpieces.

Raised garden beds elevate flower and vegetable gardens to create more attractive focal points. They also extend the planting season because the soil in garden beds warms up faster than ground soil.

- Made of low-maintenance vinyl that will not rot or splinter
- Allows the use of a variety of soil mixtures that can produce better growth than depleted native soil
- Reduces weeds when properly maintained
- Easy to assemble
