A VARIETY OF USES

TechTrim™ can be used for everything from exterior trim, fascia boards, casings, batten boards, soffits, box columns, rake boards, corner boards, extension jambs and door stops to planters and more.

Pre-painted exterior trim boards are currently available in these nominal sizes:

5/4" x 4", 6", 8" in 16' lengths

5/4" x 10", 12" in 12' lengths

The new one-piece corner is available in 5/4" x 4", 6" in 10' lengths.

EASY TO INSTALL

Please read and understand the installation instructions included with every TechTrim unit shipped from the factory or visit our Web site for complete installation instructions.

25-YEAR WARRANTY

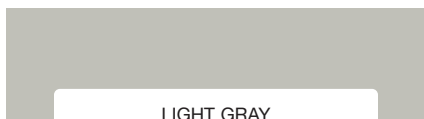

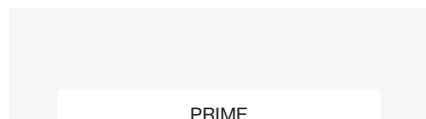

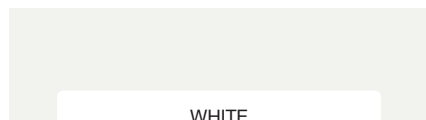

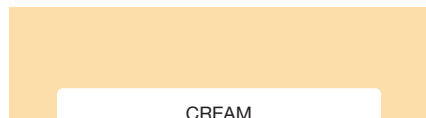

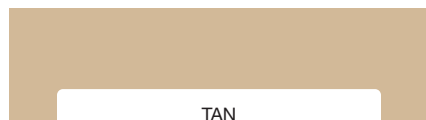

TechTrim carries the best warranty in the building business: 25 years!

GO AHEAD: PICK A COLOR, ANY COLOR

The enclosed color swatches are representative of the TechTrim pre-painted Diamond Kote™ product. The nature-inspired designer palette will help you select the “techtricolor” that best complements your project’s architectural style and color scheme. Since these color swatches are reproduced with printer’s inks, they may vary slightly in color or finish from the actual factory-painted product and may not be exactly as shown. For actual product colors and finish, please consult with your nearest TechTrim dealer.

Since the TechTrim pre-painted Diamond Kote™ color swatches displayed in this brochure are reproduced with printer's inks, they may vary slightly in color or finish from the actual factory-painted product and may not be exactly as shown. For actual product colors and finish, please consult with your nearest TechTrim dealer.

A COLORFUL WAY TO TRIM TIME AND MONEY

Trim a house completely with the alluring and long-lasting TechTrim™ exterior trim board, now available in 31 exclusive, pre-painted, designer “techtricolors.” TechTrim features a Diamond Kote™ factory finish which eliminates tedious trim prepping, painting and cleanup. Diamond Kote is extremely durable, brilliant and exceptionally beautiful, ensuring satisfaction for many years. The bottom line is our superior, pre-painted products will save time and money. It just can’t get any easier.

BETTER IS QUITE THE UNDERSTATEMENT

TechTrim is a unique, lightweight and versatile polymer trim board designed for exterior applications. It resists the elements such as moisture, mold, mildew, fungus and insects. This prefinished product is made to last. It won’t splinter, warp, crack or rot. Plus, builders will find TechTrim easy to handle and install. Just take one peek at our natural-looking, textured woodgrain finish and you’ll think it’s real wood. These great benefits add up to a builder’s dream of no callbacks or fix-ups.

25-YEAR LIMITED WARRANTY

TechTrim,[™] prefinished with Diamond Kote,[™] carries the best warranty in the building business: 25 years from the date of your original purchase. The product will maintain its nail- and screw-holding characteristics and will not warp, crack or rot. Please visit our Web site for complete warranty information.
